

Jan SPRIGGS

My principal place of residence is in the Pukaki Ward area.

Twizel has been home for almost a decade, and I am proud to be part of this special community. My diverse background—spanning HR, small business ownership and regulatory compliance—equips me with the skills needed to navigate the challenges ahead.

Having served on the community board and worked closely with local government for nearly two decades, I bring a deep understanding of how councils operate—and more importantly, how they can better serve the people they represent.

At the council table, I will bring three key qualities: curiosity, integrity, and tenacity. I listen, I ask the right questions, and I will support meaningful projects that add value. Above all, I believe local voices should be heard when shaping the future of our towns and district.

Ernest Rutherford wisely said, We haven't got the money, so we'll have to think. Now is the time for new thinking and fresh ideas.
