

Mackenzie District Council
Tekapo Community Board
Electing 4 Board Members

Simon TOCKER

My principal place of residence is in the Tekapo Community Board area.

Kia ora,

I am a local and a resident of Lake Tekapo where I have been very fortunate to reside with my family for almost a decade.

My background is hospitality and throughout my career I have held numerous roles in hospitality and tourism leadership, the most recent being my role as the General Manager for Peppers Bluewater & Mantra Lake Tekapo which are a part of Accor, a global hospitality leader. I have held this role for the duration of my tenure here in Lake Tekapo and throughout this period I have had the privilege of working alongside a number of key stakeholder groups, allowing me to develop and build strong relationships.

I would welcome the opportunity to be able to serve the community as a representative on the Lake Tekapo Community Board.
