

Mackenzie District Council
Pukaki Ward
Electing 3 Councillors

Scott ARONSEN

My principal place of residence is in the Pukaki Ward area. I am also standing for Mayor.

Hi

I have served one term as councillor and would like to put my name forward again for the Pukaki Ward.

The council has incurred a lot of debt over the last few years, continued project cost, over runs and unbudgeted expenditure.

Rates are rising and there appears to be a lack of restraint. Greater levels of accountability must be adhered to. Things must change.
