HOW MUCH SHOULD WE INVEST IN ROADS?

☐

I/we prefer Option 1: Set aside a maximum budget of \$300,000 for each year of the plan for roading improvement projects, and borrow to fund Council's 49% share of this amount.

☒

I/we prefer Option 2: Include budgets in each year of the plan for all roading improvement projects that attract NZTA co-funding, and borrow to fund Council's 49% share.

☐

I/we prefer Option 3: Borrow for all roading improvements projects whether they are co-funded or not.

Why is this your preferred option?
