**Mark SANDERS**

My principal place of residence is not in the Pukaki Ward area.

My partner Rachael and I recently moved to the Mackenzie district after falling in love with all the amazing beauty and activities that the district has to offer including our favourite pastimes of

mountain biking and fishing.

My background includes many years in NZ Police, working in the community, and running a successful business. My latest role as leader of Compliance Investigations South Island for Ministry for Primary Industries, has given me a strong understanding of legislation, and the importance of good governance.

The Mackenzie district has its own unique set of challenges, in particular finding the balance between growth and preserving the status quo, which is what attracts people to live and work here in the first instance.

As a councillor candidate I believe that we need to listen to the community, understand the local issues, and act on them. In other words, get stuff done!
