Submission Details

The specific provisions of the Proposal my submission relates to are as follows: The removal of the green area between Dobson Place and Ruataniwha Road.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: Frisbee golf is taking off and the 18 hole course is an asset to Twizel. The green space on the town boundary is a feature of Twizel and welcoming to passers-by and those coming into the town. There are plenty of other places that accommodation can be built upon, without eliminating this feature of the town.

I seek the following decision from the Mackenzie District Council: To repel this proposal and find other options for required accommodation options to be built upon.

I do or do not wish to be heard
in support of my submission: I do not

If others make a similar
submission I would or would
not be prepared to consider I would not
presenting a joint case with
them at any hearing:
