Submission Details

The specific provisions of the
Proposal my submission relates to Plan change 21
are as follows:

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: The disc golf course is a key part of the community of Twizel, bringing in hundreds if not thousands of people annually to the town. Reducing this area puts this visitation at risk and shows a backwards step by the council after great support in the past

I seek the following decision from the Mackenzie District Council: Leave the disc golf course as it currently stands

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not
