This is a submission on proposed Plan Change 21 to the Mackenzie District Plan. Proposed Plan Change 21 is part of Stage 2 of the review of the Mackenzie District Plan.

The specific provisions of the proposal that my submission relates to are:

Medium + high density housing in
Twizel now or ever in the
future.

My submission is:

(Include whether you support or oppose the specific provisions or wish to have them amended and the reasons for your views)

I am totally against Plan 21.
The views around Twizel are fabulous
+ allowing high rise buildings are going to
block these views. Already opposite us is a house
with a ridiculously high pitch roof which
blocks a lot of our view of the mountains.
This is just a start.
Stop before more views are lost.

I seek the following decision from the Mackenzie District Council:
(give precise details)

Stop Plan 21 NOW!!!

- I wish to be heard in support of my submission
 - I do not wish to be heard in support of my submission
- (tick one box)

If others make a similar submission I would / would not (delete one) be prepared to consider presenting a joint case with them at any hearing.
