Submission Details

The specific provisions of the Proposal my submission relates to are as follows: The proposed change to the green zone between Ruataniwha Road and Dobson Place from a no-build to commercial visitor accomidation precinct.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: This change is a completely unnessary change to one of Twizel's most crucial greenzones - and the home of our world-class disc golf course. If you really want a new "commercial visitor accommodation precinct" then put it somewhere else, don't ruin a good thing.

I seek the following decision from the Mackenzie District Council: Leave the current greenzone as it is.

I do or do not wish to be heard in support of my submission: I do

If others make a similar submission I would or would not: I would

be prepared to consider
presenting a joint case with them
at any hearing:
