

**Simon CASSIE**

My principal place of residence is in the Fairlie Community Board area. My name is Simon Cassie. Having grown up in Fairlie, I returned 9 years ago to raise a family.

I am a small business owner and care deeply about our community. I'm enthusiastic and approachable, and wish to help facilitate positive community engagement.

I love our town and the area where we live, and would like to play a role in ensuring we get the most out of our local government so it can thrive.

If elected to the Community Board it would be my intention to take the role seriously and act as medium between residents, and the council.

I feel the Community Board can only function well if individuals have the ability to actively engage with it. As such, I would encourage input; I consider myself easy to talk to and a good listener. I would do my utmost to serve the community with integrity and accountability.
