Together with my partner, Maree Frost, we own 2034 Fairlie- Tekapo Road. We purchased this property in 2005, and have invested countless hours in removing willows and elders and planting natives.

We have both contributed to work around Burkes Pass through the Heritage Trust.

Warren's professional background is in education, sports science and commercial property management.

Maree's professional background is in health, specifically as a pelvic health physiotherapist working with a wide range of clients and various consultants and other health professionals.

Submission:

The specific provisions of the proposal that relate to my submission are:

Te Kopi-o-Opihi/ Burkes Pass Heritage Overlay

Potential new individual heritage items

- a. I oppose the Te Kopi-o-Opihi/ Burkes Pass Heritage Overlay as adopted by council in November 2024.
- b. I support the Te Kopi-o-Opihi/ Burkes Pass Heritage Overlay as recommended by heritage expert Richard Knott (provided in July 2024).
- c. I support the inclusion of the heritage items recommended by Mr Knott.

The reason for my submission is that I have worked in specialised fields and continue to do so. It is sensible and prudent to take the advice of engaged expertise. This is not a situation where democratically elected officials should be playing politics but rather considering a longer term view. That is, what will this space be like in the future? The views expressed by Mr Knott assist all who read it to understand what it is possible for Burkes Pass to be in the future.

Submission Request

I urge you to reinstate the recommendations made by Mr Knott in the Heritage plan.
