Further Submission Details

I ~~support~~/oppose the submission of:

(enter the name and address of original submitter and the original submitter number)

Director - General of Conservation
Plan Change 30 Submitter NO 11

The particular parts of the submission I ~~support~~/oppose are:

(clearly indicate which parts of the submission you support or oppose, together with any relevant provisions of the proposal)

11.02 Interpretation
Glentanner Disagree with the relief sought by DOC
The definition in 11.02 should remain as notified
by the M.D. Council

11.06 GT S.P. Zone We disagree with relief sought.
Duplication of point made in 11.02

The reasons for my ~~support~~ or opposition are:

(give reasons)

11.02 and 11.06
Rocket powered vehicles, aviation research and
testing laboratories are all appropriate
from a small rural airport.
Rocket operations at Glentanner are fully CAA approved.

DOC's own aerial operations are much more
obtrusive to the natural environment than any
existing Glentanner aircraft activity.

DOC undertake low level helicopter operations controlling
plant and animal pests, and tracking animals over the
Tasman Delta and riverbed. These are likely to have
100 times the impact on natural values than Dawn Rocket

I seek that the whole or part (describe part) of the submission be ~~allowed~~ or disallowed: Operations
(give precise details)

Point 11.02 should be disallowed

Point 11.06 should be partly disallowed.

The considerations around noise and
risks associated with failure or crash
should be disallowed

☒ I wish to be heard in support of my further submission.

☐ I do not wish to be heard in support of my further submission.
