

### TO THE MAYOR AND COUNCILLORS OF THE MACKENZIE DISTRICT COUNCIL

#### **Membership of the Finance Committee:**

Cr Graham Smith (Chairman)
Claire Barlow (Mayor)
Cr Russell Armstrong
Cr Murray Cox
Cr Noel Jackson
Cr James Leslie
Cr Evan Williams

Notice is given of a meeting of the Finance Committee to be held on Tuesday, April 26, 2016, at the 9:30am.

**VENUE:** Mackenzie District Council Chambers, Fairlie

**BUSINESS:** As per agenda attached

WAYNE BARNETT
CHIEF EXECUTIVE OFFICER

Agenda for Tuesday, April 26, 2016

#### **APOLOGIES**

#### **DECLARATIONS OF INTEREST**

#### **CONFIRM MINUTES:**

That the minutes of the Finance Committee meeting held on March 15, 2016, be adopted and confirmed as a correct record.

#### **RECEIVE SUB-COMMITTEE MINUTES:**

- 1. Receive the minutes of the Tekapo Property Group meeting held on March 1, 2016, April 12, 2016, including such parts as were taken with the public excluded.
- 2. Receive the minutes of the Forestry Board meeting held on March 15, 2016.

#### **REPORTS:**

1. Financial Report (attached).

#### PUBLIC EXCLUDED RESOLUTION:

Resolve that the public be excluded from the following part of the proceedings of this meeting namely:

- 1. Development of Lakeside Drive Land
- 2. Previous Minutes Tekapo Property Group 1 March 2016
- 3. Previous Minutes Tekapo Property Group 12 April 2016

General subject of each matter to be considered	Reason for passing this resolution in relation to each matter	Ground(s) under section 48(1) for the passing of this resolution
Development of Lakeside Drive Land	Commercial Sensitivity	48(1)(a)(i)
Previous minutes Tekapo Property Group 1 March 2016	Commercial Sensitivity	48(1)(a)(i)
Previous minutes Tekapo Property Group 12 April 2016	Commercial Sensitivity	48(1)(a)(i)

This resolution is made in reliance on Section 48(1)(a)(i) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by Section 6 or Section 7 of that Act, which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as follows: Development of Lakeside Drive Land and previous Tekapo Property Group minutes; 12 April 2016 and 1 March 2016 7(2)(b)(ii).

ADJOURNMENTS: 10.30am - Morning Tea

12pm - Lunch

# MACKENZIE DISTRICT COUNCIL MINUTES OF A MEETING OF THE FINANCE COMMITTEE HELD IN THE MACKENZIE COUNCIL CHAMBERS, FAIRLIE, ON TUESDAY, MARCH 15, 2016, AT 10.44AM

#### PRESENT:

Cr Graham Smith (Chair)
Mayor Claire Barlow
Cr Murray Cox
Cr James Leslie
Cr Russell Armstrong
Cr Evan Williams

Cr Noel Jackson

#### IN ATTENDANCE:

Wayne Barnett, Chief Executive Paul Morris, Finance Manager Bernie Haar, Asset Manager Arlene Goss, Committee Secretary Chris Hyde, Timaru Herald

#### **APOLOGIES:**

There were no apologies.

#### **DECLARATIONS OF INTEREST:**

There were no declarations of interest.

#### **MINUTES:**

Resolved that the minutes of the meeting of the Finance Committee held on February 2, 2016, including those parts taken in public excluded, be confirmed and adopted as the correct record of the meeting.

Cr Armstrong/Mayor

#### **REPORTS:**

#### FINANCIAL ACTIVITY REPORT TO JANUARY, 2016:

Finance Manager Paul Morris took councillors through the financial report. The matters discussed included, but were not limited to, the following:

There have been some extra costs on the Twizel and Kimbell water lines. Sewer is on budget. Capital expenditure of \$902,000 has been budgeted to upgrade the sewer in Twizel but this is unlikely to be spent this year due to issues regarding land in Twizel.

Under Planning, employment and consultancy expenses are lower than budget. Council is expecting more costs for plan change 13 to be incurred soon. The Finance Manager suggested that any surpluses made by the planning department should go towards paying the debt that plan change 13 has incurred.

Under Regulatory the large variance is from building activity. Due to high activity in the building area it is expected to make a surplus by the end of the year. Council is currently advertising for two new building inspectors. The Finance manager suggested looking at the pricing structure in building services at the time of the next Long Term Plan, if building activity remains high.

Capital funds have been put aside for a generator in Tekapo. The chief executive said Council is currently considering whether it would be better to buy a generator or have an arrangement to hire one in an emergency situation. The chairman and councillors questioned whether it would be possible to get a generator from Timaru to Tekapo during an emergency such as a snow storm. Cr Cox said there are not a lot of organisations in Tekapo with a generator. The chairman and Mayor requested a report from staff on this matter.

Regarding solid waste, operational costs spike in the summer time. The Mayor asked if there was any way to determine where the bulk of the waste is coming from. Discussion was held on the sources of waste and what other councils are trialling in terms of rubbish disposal, including coin operated rubbish bins.

Under commercial activities, the sale of two sections in Tekapo will result in money coming into this account. Interest rates have not picked up as expected. The new interest rate on Council's day to day account is one percent, with two million dollars in that account at the moment. The Finance manager said more attention will be paid to earning investment income from this money. The chairman requested a report and workshop to be organised to look at spending this money on work that needs to be done in the district, instead of it sitting in the bank earning nothing.

The chairman thanked Paul Morris for his work on the finances.

Resolved that the report be received.

Cr Williams/Mayor

Asset manager Bernie Haar joined the meeting at 11.27am.

#### APPLICATION FOR GRANT, SOUTH ISLAND ROWING:

The purpose of this report is to consider a request from South Island Rowing for a grant of up to \$150,000 to assist with funding an upgrade to the sewerage disposal system of South Island Rowing, and to consider whether

the Council needs to review, clarify and/or update its policy on such applications.

The report was taken as read. Cr Leslie said infrastructure work being done by South Island Rowing impacts on the whole area and Council should step back and take a wider view, and look at future-proofing the development in that area by putting in the appropriate infrastructure so subdivision can take place.

He suggested changing the recommendation to "Do not fund the application until further work has been done pending input from other parties."

The Mayor said this was a matter of urgency. Cr Leslie said he was aware of this and the Asset Manager has offered to consult with Ecan regarding allowing more time for a decision to be made.

The chief executive said he understood the urgency to be related to a possible grant from the Lotteries Commission that requires Council backing.

The chief executive said the development of infrastructure was usually the responsibility of the developer of a new subdivision. Cr Leslie said in the past Council has paid for the infrastructure up to the boundary, so why is this different.

Further debate occurred on whether the matter could be postponed.

The pipe connecting the South Island rowing system into the council system would only be large enough for the use of South Island Rowing, and would be owned by them unless Council took ownership and make the pipe larger allowing other users. This would allow for future development.

The Mayor said a decision needed to be made on whether Council will either grant or loan the \$150,000, before looking at the size of the pipe.

Cr Armstrong is in favour of loaning \$150,000.

Cr Williams favours funding the application as a loan subject to further negotiations on upsizing the rising main. Cr Armstrong seconded this.

The Mayor would like to extend a loan facility with very tight rules. She would like to ensure that if South Island Rowing does not need the loan money they don't put it towards other projects.

Regarding the review of the council grants policy, councillors discussed this and agreed they were happy not to review the grants policy at present.

#### Resolved:

1. That the report be received.

#### Cr Cox/Cr Williams

2. That the Finance Committee agrees to loan up to \$150,000 to South Island Rowing towards an upgrade to their sewerage disposal system.

#### Cr Williams/Cr Armstrong

Cr Jackson voted against the motion and asked for his vote to be recorded.

3. That the Finance Committee instructs staff to investigate the practicality of constructing additional capacity to allow future development next to the rowing facility.

#### Cr Leslie/Cr Armstrong

4. That the Finance Committee instruct staff not to review the Council's Grants Policy and Evaluation Criteria and it's approach to requests for funding.

Cr Smith/Cr Leslie

CHAIRMAN:	
DATE:	

#### MACKENZIE DISTRICT COUNCIL

## MINUTES OF A MEETING OF THE MACKENZIE FORESTRY BOARD HELD IN THE COUNCIL CHAMBERS, FAIRLIE, ON TUESDAY, MARCH 15, 2016 AT 9.31AM.

#### PRESENT:

Cr Graham Smith (Chairman)

Cr Murray Cox

Cr Noel Jackson

Cr Evan Williams

#### IN ATTENDANCE:

Wayne Barnett (Chief Executive)

Paul Morris (Manager Finance)

Kevin O'Neil (Forestry Manager)

Arlene Goss (Committee Secretary)

Terry O'Neill (District Forester, attending by conference phone)

Chris Hyde (Timaru Herald) from 9.37am

#### **APOLOGIES:**

There were no apologies.

#### **DECLARATIONS OF INTEREST:**

There were no declarations of interest.

#### **MINUTES:**

Forestry manager Kevin O'Neil requested that the words "We will have to see how many we can repair" under the heading Forestry Manager's Report, be replaced with "We will have to see how many damaged trees will stand back up". This was noted.

Resolved that the minutes of the meeting of the Mackenzie Forestry Board held on September 1, 2015, be confirmed and adopted as the correct record of the meeting with the change noted above.

Cr Cox/Cr Smith

#### **REPORTS:**

#### **FINANCIAL REPORT – JANUARY 2016:**

The Finance Manager explained the variances in his report. Discussion was held on the management of carbon credits. Council maintains enough carbon credits to allow the harvesting of its plantations without needing to buy credits.

Resolved that the report be received

#### FORESTRY MANAGERS REPORT FEBRUARY TO DECEMBER, 2015:

The Forestry Manager presented his report as read. Thinning has been completed for the year.

#### LATE REPORT: MURICATA PINE SIMONS HILL PLANTATION:

The chairman tabled a late report from District Forester Terry O'Neill on this issue. It is available as an attachment to these minutes. Terry O'Neill joined the meeting by speaker phone from Ashburton.

Terry O'Neill spoke regarding his report. This pine is rough wood with snow damage, so the price is variable, but he believes now is a good opportunity for harvest with crews at the door step and log prices at a reasonable level. The chairman asked whether keeping the forest for another 10 years would allow it increase in value much. Terry O'Neill said he doubted it. He originally intended to harvest the forest in four years time but did not anticipate a lot of extra growth. As time goes on you get more damage to the trees.

The chairman asked how firm the contractors are on being able to do the job. Terry O'Neill said prices change so he would like to get prices nailed down prior to the start of the job. These trees were not thinned because it was thought that spending money on thinning was not a good investment, because of the poor quality of the wood.

Resolved that District Forester Terry O'Neill be instructed to firm the price up, and that the Forestry Board is prepared to mill the Muricata Pine at Simons Hill at about \$40-50,000 return.

Cr Smith/Cr Williams

#### **GENERAL BUSINESS:**

#### SPRAYING OF BROOM AT CAVE:

The forestry manager said the spraying of broom at Cave took place over the last weekend.

#### WILDINGS SPREADING ON ROLLESBY STATION AT BURKES PASS:

The chairman said he has received feedback from an advisor who believes that wilding pines are spreading from Council-owned forestry onto private land at Burkes Pass. The Forestry Board questioned whether the wildings were coming from the council plantation but there was no way to tell without DNA testing. DOC have cleared up pines on the other side of the road. The chairman said if Council cleaned up the wildings it would be setting a precedent that would apply to other plantations. The chairman said he would leave this matter on the table for now.

#### **REVIEW OF GRAZING LICENSES:**

The forestry manager is having trouble finding grazing licenses so he could ascertain things like payment and responsibilities for grazed land. The forestry manager would like the leases to be gathered together within Council records and work carried out to get them up to date. The chief executive said staff are working on assembling those leases and updating them.

THE CHAIRMAN DE	CLARED THE MEETING CLOSED AT 10.08AM
CHAIRMAN: _	
DATE: _	

#### MACKENZIE DISTRICT COUNCIL

**REPORT TO:** FINANCE COMMITTEE

**SUBJECT:** FINANCIAL REPORT

**MEETING DATE:** APRIL 26, 2016

**REF:** FIN 1/2/1

**FROM:** MANAGER – FINANCE AND ADMINISTRATION

**ENDORSED BY:** CHIEF EXECUTIVE OFFICER

#### **PURPOSE OF REPORT:**

Attached is the financial report for Council for the period ended February 2016.

#### **STAFF RECOMMENDATIONS:**

1. That the report be received.

PAUL MORRIS
MANAGER - FINANCE

WAYNE BARNETT
CHIEF EXECUTIVE OFFICER

(66,664) Operating Surplus/(Deficit)	(132,631)	(277,671)	47,145		(269,671)

j.	Other income is ahead of budget due to higher than forecast levels of LIM Reports.
2.	Reserve contributions are behind budget due to fewer than forecast subdivision applications. This is based on developer activity.
C	Employment Expenses - behind budget year to date due to delays in employing planning staff. There was also provision in the budget for a position for the district
'n	plan review. This position will now not be filled.
4.	Consultancy expenses for legal fees and consent application assistance are less than forecast. Expected to be on budget for full year.
5.	Administration expenses are less than forecast due to publication and legislation costs that are incurred later in the year.
9	Operational and maintenance costs are less than forecast due to the budget for the Heritage Fund spread evenly across the year but not paid until year end.
٢	Internal Interest Expense is over budget due to higher capital reserve balances than forecast which has resulted in the planning activity incurring higher interest
:	expense.

1				-	

Variance Analysis:		
	Other income is slightly ahead of budget due to income from commission and rates penalties not budgeted, partially offset by recoverable services for asset	
i	management not charged.	
2.	Employment expenses are less than budget due to an unfilled position in the Information Technology.	
c	Consultancy expenses are ahead of budget due to additional legal fees, remuneration review costs and additional unbudgeted consultant costs for monthly	
ń	management reporting.	
	Administration expenses are less than budget due to the timing of the audit fees. Total budget is sitting in December and a portion of audit fees were paid in	
ŕ	September and October. Expected to be on budget for the full year.

Variance Analysis:	
1.	Other income has a debit balance due to a refund of rates levied in error. Also budget for Council share of the Albury water supply is spread evenly across the year but is not received until year end.
2.	Financial Contributions are not budgeted for as they are dependent upon developer activity.
ĸ'n	Administration expenses are ahead of budget due to rates expenses being charged to the activity that incurs them. These are paid in full for the year and have not been budgeted for.
4	Operational and maintenance costs are ahead of budget due to seasonal increase in contractor spend associated with works in Twizel and the Kimbell lines.

53,998	53,998 Operating Surplus/(Deficit)	(18,198)	5,853	(24,051)	8,7

Variance Analysis:	
1.	Financial Contributions are not budgeted for as they are dependent upon developer activity.
2.	Internal interest income received on capital reserves is ahead of budget year to date due to higher levels of reserves held than forecast.
3.	Unbudgeted consultancy expenses have arisen due to late invoices for valuation fees relating to the prior year.
4.	Administration expenses are ahead of budget due to rates expenses paid in full for the year and not budgeted.
ш	Operational and maintenance expenses are ahead of budget year to date due to higher than forecast contractor expenses resulting from the sewer spill in December.

Street lighting maintenance expenses are ahead of budget for the full year due to an unbudgeted full street light audit required by the Electricity Authority costing  S&463. Further work is to be carried out arising from the audit with costs coming through in March. Maintenance is also tracking higher than usual due to the replacement cost of Low Pressure Sodium bulbs. The LED replacement programme should address this issue over time.  Emergency reinstatement costs relate to the snow event in the prior financial year. These costs are not budgeted however they have been approved for NZTA subsidy. There are additional costs still to be incurred as works are not yet complete.

ahead of budget due to higher than projected levels of building consents and PIMs.  Jenses are under budget as there was a vacant position in the building department. This position has now been filled.  Enses are less than forecast year to date but expected to be on budget for the full year.  Expenses are less than budget due to insurance costs not yet incurred.  Maintenance expenditure is currently less than forecast due to the Health and Liquor Licencing contract yet to be received.

Variance Analysis:	
1.	Subsidies and grants income is ahead of budget due to Sport and Recreation NZ grant received in January however budget has been spread evenly across the year.
2.	Other income is ahead of budget due to full year rental received in July for Lake Alexandrina huts. Total swimming pool income received to 29 February 2016 was \$25,831 which was well down on a budget of \$43,900.
ĸi	Employment expenses are less than budgeted due to swimming pool staff costs largely incurred over the summer months, however budget has been spread evenly across the year.
4.	Administration expenses are less than forecast as rates expenses budgeted for this activity have been charged to alternative activity areas.

Operational and Maintenance - Twizel township projects are under budget by \$49,517 year to date. Expecting to be on budget for the full year.

Variance Analysis:	12
1,	Investment income is less than forecast due to the timing of the budget spread evenly across the year while dividend income from Alpine Energy is received quarterly.
2.	Other income is ahead of budget due to rental income higher than forecast in forestry and commercial areas.
ĸ.	Other gains and losses income of \$2,541,079 relates to proceeds from the sale of land at Tekapo Lakefront Development. Yet to be bought to account is the share of the subdivision costs that relate to this land. This will occur at year end.
4.	Internal interest income received on capital reserves is ahead of budget year to date due to higher levels of forestry reserves held than forecast.
ν.	Asset impairment is considered at year end and relates to Carbon credits. This may not occur as carbon prices have increased on the period so far.
. 6	Consultancy fees are over budget due to legal fees arising from the Tekapo development and additional unbudgeted property sales.
7.	Administration expenses are showing as ahead of budget year to date as the rates expense was paid in full in July and the budget is phased evenly across the year. Unbudgeted payments of \$18,308 for rental for the minigolf site. This will occur until settlement of that land purchase.
89	Operational and maintenance expenditure is below budget due to the timing of contribution payments for A20 and tourism that have not yet been made.
6	Internal Interest Expense is over budget due to higher capital expenditure spent at the beginning of the year which has resulted in capital reserve balances costing the commercial activity higher interest expense.

Tekapo lake front development budgeted for in the prior year. Delayed due to resource consent issues around stormwater. 2.

#### MACKENZIE DISTRICT COUNCIL

## MINUTES OF A MEETING OF THE TEKAPO PROPERTY GROUP HELD IN THE LAKE TEKAPO COMMUNITY HALL, TEKAPO ON TUESDAY, MARCH 1, 2016, AT 1.05PM

#### PRESENT:

Cr Murray Cox (Chair) Mayor Claire Barlow Cr Russell Armstrong

#### IN ATTENDANCE:

Wayne Barnett, Chief Executive Officer Paul Morris, Finance Manager Nathan Hole, Planning & Regulations Manager

#### **APOLOGIES:**

Resolved that an apology be received from Cr Graham Smith and Richie Smith.

**Cr Armstrong/ Mayor** 

#### **DECLARATIONS OF INTEREST:**

There were no declarations of interest.

#### **MINUTES:**

Resolved that the minutes of the meeting of the Tekapo Property Group held on Tuesday, January 18 2016, be confirmed and adopted as the correct record of the meeting, including those matters taken in public excluded.

**Cr Armstrong/ Mayor** 

#### **PUBLIC EXCLUDED:**

<u>Resolve:</u> that the public be excluded from the following part of the proceedings of this meeting namely:

- 1. Previous minutes Tekapo Property Group, January 18 2016.
- 2. Stage 2 Construction Report
- 3. Summary of Tekapo Development Property Sales

General subject of each matter to be considered	Reason for passing this resolution in relation to each matter	Ground(s) under section 48(1) for the passing of this resolution
Previous minutes Tekapo Property Group, January 18 2016	Commercial sensitivity	48(1)(a)(i)
Stage 2 Construction Contract	Commercial sensitivity	48(1)(a)(i)
Summary of Tekapo Development Property Sales	Commercial sensitivity	48(1)(a)(i)

This resolution is made in reliance on Section 48(1)(a)(i) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by Section 6 or Section 7 of that Act, which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as follows: *Previous minutes Tekapo Property Group, Stage 2 Construction Contract, Summary of Tekapo Development Property Sales under section 7(2)(b)(ii)* 

**Cr Armstrong/ Mayor** 

The property group resumed in open meeting.

#### **GENERAL BUSINESS:**

#### **Residual Land on Lakeside Drive:**

A report from Aurecon (draft) has arrived but has not been read at the time of this meeting.

The Mayor informed the group of an interesting meeting she attended at The Canterbury Mayoral Forum regarding discussion about investor's hotel sites. Auckland has done a lot of work identifying sites for hotels and pre-consenting to make the process more efficient. Perhaps we could do this for this site. Look at re-zoning separately and including Tony's site as well. Hotel developments are difficult to get over the line. There is Chinese money around but they need scale. If pre-consented sites are available they may be able to create necessary scale by investing across more than one area, for example, 1 site in Tekapo, 1 site in Kaikoura and 2 sites in Christchurch.

Mr Barnett suggested that Council land on Hamilton Drive be considered surplus and offered to Ngai Tahu. If Ngai Tahu decline the land then if could be placed on the open market.

#### **Potential Sites for Staff Accommodation:**

Mr Barnett has spoken to Sally Jones at DoC about the area behind The Fire Station for a swap and mentioned the Ram Paddock down Lilybank Road as part of the exchange.

Cr Cox said that these are the sorts of issues we need to tidy up now.

#### **Ex-Motor Camp Land rezoning:**

Ecan, NZTA, Fire Service and Genesis have submitted as well as two private individuals. Three in support and three against but Mr Hole doesn't think the issues raised will be too problematic. Only two submitters wish to be heard. There has to be notification for further submissions, an officers report written and a hearing held.

#### Matters that surfaced as a result of the Freedom Camping Workshop on 29 February 2016:

- How quickly can the eastern carpark be established with toilets etc?
- Moving the traffic from around the Church of the Good Shepherd, this needs to be worked out with a view to the whole plan for parking.
- A long term view is that we don't want development around the Church of the Good Shepherd. They are prepared at this stage to make that land available for protection as opposed to being sold for development. Cr Cox suggested that we need to bring this into the picture sooner (the need to secure the land) rather than later. Toilets at

the end could be pay toilets or provide an opportunity for a small coffee/water business to maintain the toilets.

### THERE BEING NO FURTHER BUSINESS THE CHAIRMAN DECLARED THE MEETING CLOSED AT 2:20pm

#### MACKENZIE DISTRICT COUNCIL

## MINUTES OF A MEETING OF THE TEKAPO PROPERTY GROUP HELD IN THE MACKENZIE ROOM, PEPPERS BLUEWATER RESORT, LAKE TEKAPO ON TUESDAY, APRIL 12, 2016, AT 1.00PM

#### PRESENT:

Cr Murray Cox (Chair) Mayor Claire Barlow Cr Graham Smith

#### IN ATTENDANCE:

Wayne Barnett, Chief Executive Officer Paul Morris, Finance Manager Keri-Ann Little, Committee Secretary

#### **APOLOGIES:**

Resolved that an apology be received from Richie Smith and Cr Armstrong

Cr Smith/ Mayor

#### **DECLARATIONS OF INTEREST:**

There were no declarations of interest.

#### **MINUTES:**

Resolved that the minutes of the meeting of the Tekapo Property Group held on Tuesday, March 1, 2016, be confirmed and adopted as the correct record of the meeting, including those matters taken in public excluded.

General business arising from the minutes:

Discussion in regards to Mr Barnett's comments in the last minutes on page 4 of this agenda, "Mr Barnett suggested that Council land on Hamilton Drive be considered surplus and offered to Ngai Tahu. If Ngai Tahu decline the land then if could be placed on the open market"

The Chairman said there is a piece of residential land that goes up Hamilton Drive, to that block, and in between the houses that are there at the moment.

Mr Morris said I don't think Council has the ability to make that decision, if we say we longer want to use it because it is part of forestry, then the Government will just take ownership.

The Chairman said there is a part right down by Hamilton Drive that the Council may want to keep as a reserve, Mr Barnett said if you did that you would negotiate that as part of the solution.

The Chairman said at some stage someone needs to do a report on this to clarify options.

Mayor/ Cr Smith

#### **GENERAL BUSINESS:**

#### **Project Management:**

This verbal report was supplied to the Property Group by The Chairman.

The Chairman said we have spoken at the Tekapo Community Board meeting and Council about project management, I would like this recorded in the Property Group minutes.

Bernie Haar, Asset Manager, Mr Barnett, Garth Nixon, Community Facilities Manager, Suzy Ratahi, Roading Manager, Peter Munro, Tekapo Community Board Chairman and myself are getting together regularly to look at the co-ordination between the contractors and the contracts that are taking place down in the town, town projects in terms of the car parking and toilets. This is to try and stop anything from dropping out through the cracks, also to make sure if we have Mr Haar and Mr Nixon working on different projects there is a cross connection there.

The Mayor asked who are you thinking of appointing as Project Manager and how many hours would this role be.

Mr Barnett said this will depend on what stage the project is at, will be variable.

Mr Barnett said the projects are:

- Entry exit of Godley
- Rapuwai Lane
- Profile of Eastern carpark
- Lay out of Eastern carpark
- Boat ramp access and long vehicle parking
- Temporary carparks
- Play area
- Toilets Eastern and Western
- Finishing of domain
- Landscaping of viewing corridors
- Communications out to the public.

The Chairman said there will be some other projects that come up as well in terms of lighting, waste disposal and skips.

The Mayor said if we wanted to fund a Project Manager, would the costs come out of the real estate budget.

The Chairman and Cr Smith agreed.

Mr Barnett said we have set up a meeting of this group, named above, if we can find a suitable candidate to project manage, Cr Smith said we keep Council staff away from Project Manager because it only interferes with their Council duties and Councillors can't be because it is a conflict of interest.

Mr Barnett said the funding for a position is not in the Long Term Plan but the development projects is, so if there are parts of this that can be done within the Tekapo Lakefront Development Project then that is really something I would like direction on today, we can then budget the position and move forward.

The Mayor and Cr Smith suggested the position be advertised. Cr Smith continued, Mr Barnett has done a great job to date, but the project is taking up too much of his time. To be fair and get the best out of Tekapo we need a Project Manager going forward at this stage.

Resolved: that the Tekapo Property Group recommends to the Finance Committee that a person be engaged to take project management of the Tekapo Development.

Cr Smith/ Mayor

Mr Barnett said we will put prices against these activities and report back to them against expected cash surplus of the project.

Cr Smith stated a contract or terms of employment agreement will have to be drawn up, based on so many hours per week.

Mr Barnett said terms of employment will be drawn up with an estimate of hours of work required.

#### **PUBLIC EXCLUDED:**

<u>Resolve:</u> that the public be excluded from the following part of the proceedings of this meeting namely:

- 1. Previous minutes Tekapo Property Group, March 1, 2016.
- 2. Stage 2 Construction Report
- 3. Summary of Tekapo Development Property Sales

General subject of each matter to be considered	Reason for passing this resolution in relation to each matter	Ground(s) under section 48(1) for the passing of this resolution
Previous minutes Tekapo Property Group, January 18 2016	Commercial sensitivity	48(1)(a)(i)
Stage 2 Construction Contract	Commercial sensitivity	48(1)(a)(i)
Summary of Tekapo Development Property Sales	Commercial sensitivity	48(1)(a)(i)

This resolution is made in reliance on Section 48(1)(a)(i) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by Section 6 or Section 7 of that Act, which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as follows: Previous minutes Tekapo Property Group, Stage 2 Construction Contract, Summary of Tekapo Development Property Sales under section 7(2)(b)(ii)

Mayor/ Cr Smith

The property group resumed in open meeting.
