Q4 KEY ISSUE: ROADING - from the following options, which are described in more detail on pages 6 and 7 of the Consultation Document, which is your preference?

OPTION 1: Set aside a maximum budget of \$300,000 for each year of the plan for roading improvement projects, and borrow to fund Council's 49% share of this amount.

,
Why is this your preference?

(optional):

Gives more certainty and requires prioritising

Q5 OTHER ISSUES: Do you have feedback on any of the other issues or projects outlined in the Consultation Document or any of the supporting documents? (note: you can upload your submission as a document if you prefer, or upload supporting documents, by going to the next question)

Need much more "user pays" strategies (eg public toilets, water meters?, increased rating on houses operated as a commercial enterprise). Better zoning for worker accommodation. Budget for enforcement of areas such as freedom camping... Res 1 commercial rental operations...etc!. More borrowing so future generations contribute to the current problems.
