Submission Details

The specific provisions of the Proposal my submission relates to are as follows: We have been made aware that the proposed plan will take away part of the Frisbee golf course in twizel and with it a lot of green space. The Frisbee course is well used and a great asset to twizel as is all the green space much of this is what makes twizel special. I'm not sure that twizel even needs more visitor accom at the moment, you have limited air bnb options so if you didn't do that you wouldnt need to take green space....

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: As above

I seek the following decision from the Mackenzie District Council:

Please refrain from rezoning the Frisbee course and other green areas to commercial. It is awesome to see people outand about walking round the tracks, you will ruin a part of it.

I do or do not wish to be heard in support of my submission: I do

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would
