Anna ROSEINGRAVE

My principal place of residence is in the Tekapo Community Board area. I moved to Lake Tekapo in 2008, accepting the position of School Principal. I am currently studying full time towards a Bachelor of Counselling and enjoy the benefits of raising two wonderful children in our special town. I am passionate about strengthening and enhancing communities. My commitment towards creating resilient, connected and supportive environments has a particular focus on the wellbeing of our families and young people. My previous roles across varied community groups include the Lake Tekapo Promotions Association, Playground Committee, Lake Tekapo Playgroup and the Bright Stars Community Trust. As a current member of the Breathe Tekapo Committee I am focused on raising the visibility of Lake Tekapo as a wellness destination and the Mackenzie District as a place of transformative travel. I am open minded; embracing and encouraging of new ideas and initiatives. I strengthen and support the local community, building genuine partnerships through effective community liaison.
