Do you believe you could gain an advantage in trade competition through this submission?

No

Are you directly affected by an effect or the subject matter that adversely affects the environment and does not relate to trade competition of the effects of trade competition?

No

The specific provisions of the proposal that my submission relates to are as follows:

Minimum setback of buildings from state highways shall be 100m

**I support/oppose these provisions:
(include whether you support or oppose in full or in part)**

I oppose this provision

**The reason(s) for my submission are:
(state in summary your reasons, and whether you seek any amendments)**

I oppose the submission for Section 7 General Rural Zone or industrial if the dwelling is not a residential dwelling. The dwelling should be allowed to be built closer than the proposed 100m set back from a state highway.

I seek the following decision from the Mackenzie District Council: (give precise details)

To review the setback distance to be the same as other roads at 20m

Do you wish to be heard in support of your submission?

I do

If others make a similar submission would you be prepared to consider presenting a joint case with them at any hearing?

I would
