This is a submission on:
**Proposed Plan Change 15 (Twizel) and/or Variation 1 to Plan Change 13,
Mackenzie District Plan**

The specific provisions of the proposal that my submission relates to are:
(give details)

* rezoning of land south of Glen Lyon Road from Rec A
to Rec 4 (between Telcapp Drive and Glen Lyon) and
Rec A to Rec 1 (between Glen Lyon and Mackenzie Drive)

My submission is:

(include whether you support or oppose the specific provisions or wish to have them
amended and the reasons for your views)

I totally oppose the submission of yet more reserve land

for residential sections along the south side of Glen
Lyon Road. A feature of this town of trees was
the trees - why cut them all down and turn that
recreational land into revenue generating land.
This rampant subdivision of our natural features
must stop. Our greenways and reserve areas
are a special feature of this town.
Those of us who paid premium prices to live adjacent
such reserves did so because they would not be built
on!

I seek the following decision from the Mackenzie District Council:
(give precise details)

To leave the reserve land along Glen Lyon as it is. If the
maintenance of these areas are a problem I'm sure most
adjoining residents would prefer to help maintain the
reserve rather than look onto a row of houses.

- I wish to be heard in support of my submission
 I do not wish to be heard in support of my submission

(tick one box)

If others make a similar submission I **would** / ~~would not~~ (delete one) be prepared to
consider presenting a joint case with them at any hearing.
