HOW MUCH SHOULD WE INVEST IN ROADS?

☐

I/we prefer Option 1: Set aside a maximum budget of \$300,000 for each year of the plan for roading improvement projects, and borrow to fund Council's 49% share of this amount.

☐

I/we prefer Option 2: Include budgets in each year of the plan for all roading improvement projects that attract NZTA co-funding, and borrow to fund Council's 49% share.

☐

I/we prefer Option 3: Borrow for all roading improvements projects whether they are co-funded or not.

Why is this your preferred option?

don't Borrow as this makes it dearer in the long run
make the council heavier in it running
as we have getting more notable properties
the rates have still been going up
I believe there is too much waste on employment at the castle. ie Failure

Today's choices, tomorrow's Mackenzie.

retirement for over 55 years people -
 The time has come for Twizel to have a
 area. To be made available for people to
 retire, and live out there lives without moving
 away to other areas.
 I suggest the council should look at
 under utilise land the golf club has. next
 to the bowling club. and where the mini
 golf was. This also could have a small care
 home. included with the development
 This could be set up as a trust with the
 council owning the land the houses would then
 be very reasonable to buy.
 This can be brought into action as
 you need to renegotiate the golf club lease.
 maybe a new 99 year. with very low rent.
 as I don't think ever be more than 9 holes.
 and they have a lot of land not being used.
