Subject: District Plan – Submission on Proposed Plan Change to the Mackenzie District Plan

I wish to express my concern over the changes in what I thought was the original and agreed upon plan for Burkes Pass. I have become aware that it appears that the community made the changes without adequate consultation. In addition I am concerned that some of the changes were not adequately defined i.e. • Low Density Residential Zone for Te Kopi-O-Opihi/ Burkes Pass • Large Lot Residential Zone.
• Mixed Use Zone for Te kopi-O-Opihi/ Burkes Pass

I continue to support the original land use plan that I received and strongly request that the Spatial Plan needs to be revisited with proper formal consultation with the community before being adopted by the District Plan

Sincerely, John Emery
