Submission Details

The specific provisions of the Proposal my submission relates to are as follows: I object to the rezoning of land to commercial in Twizel that would mean the loss of the Frisbee golf course. This is a great attraction for Twizel attracting visitors.

I support / oppose these provisions: I oppose in part

The reason(s) for my submission are: The disc golf course is a valuable asset/attraction and as a rate payer do not want to lose it.

I seek the following decision from the Mackenzie District Council: Alter plan so that disc golf course is not lost. There must be some way to compromise.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not
