of the
Proposal
my
submission
relates to
are as
follows:

I support /
oppose
these
provisions: I oppose in full

The
reason(s)
for my
submission
are:

This is another of Twizel's green spaces that is up for sale for the benefit of the Council, at the detriment to the sporting facilities of the town. In this day and age, it is recognised that sport plays a large part in the mental well being of a town. This is another example of the council not supporting and providing sporting facilities for the town of Twizel. This green space is an important area in the Twizel Disc Golf Course. This course has been upgraded in the last 6 year to an international standad course, with the support of the council. If this area of land is rezoned and developed, the golf course will loose 3 holes. The council fails to provided any green sports fields for the Twizel Community. I find it hard to believe that they are willing to take away another sports facility. The Twizel Disc Golf Club holds annual tournament that bring in revenue to the community, it provides an activity for out of town people to enjoy, there is a thriving disk golf club in town. Our green spaces and sporting facilities need to be portected.

I seek the
following
decision

Mackenzie
District
Council:

Leave the greenspace zoned as it is.
