### **Submission Details**

The specific  
provisions of the  
Proposal my Twizel Spatial Plan  
submission relates to  
are as follows:

I support / oppose  
these provisions: I support in part

The reason(s) for my  
submission are: I wish to see the present "Visitor Accommodation" designation (as depicted in orange) on the northern side of Wairepo Road, Twizel to be amended to include the words "Activities Retail". The present designation would then become Visitor Accommodation and Activities Retail". Accommodation businesses already retail "activities" of different kinds. A stand alone Activities Operator

(such as bike or skydive operator) has no designated zoning permitting such an activity.

I seek the following decision from the Mackenzie District Council:

The present orange zone on Wairepo Road to be re-designated "Visitor Accommodation and Activities Retail".

I do or do not wish to be heard in support of my submission:

I do

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing:

I would not
