7. Please provide details about the project or activities that were supported by the Creative Communities Scheme. Explain what was successful, and what didn't work so well.

A live band playing music from a mix of genres of Arabic, Celtic, Funk, Soul and Gypsy Jazz. Fantastically talented musicians who interacted with the audience. Due to a covid spike / illnesses attendance was lower than expected.

8. Give a brief description of the highlights of your project, including the number of participants.

The performance itself was the highlight. Everyone stayed for a cuppa and a light supper afterwards, chatting to the band members and each other. Great connections!

9. How did your project benefit your community?

The Albury community members who attended loved being able to host the show and felt privileged to have the opportunity to attend a live music performance.

10. What, if any, are the next steps (for your project, for you and/or for the people involved)?

Promote more performances and activities/events in more of the isolated areas of the Mackenzie District.
