

Mackenzie District Council
Fairlie Community Board
Electing 4 Board Members

Holly LANE-HAND

My principal place of residence is in the Fairlie Community Board area. Born and raised in Fairlie, I'm proud to once again stand for our Community Board.

With a Master's in Marine Conservation, I spent five years with the Ministry for Primary Industries, working across Fisheries and Compliance. This gave me valuable skills in communication, problem-solving, and working with people from all walks of life.

Over the past three years, I've embraced big life changes—starting a new career in real estate with Bayleys, getting married, and becoming a mum of two. Despite this, I've remained a dedicated Board member, missing only one meeting this term.

I've proudly supported community projects like replacing the Village Green playground fencing and protecting the oak trees at McLean Park. If re-elected, I'm committed to seeing through key initiatives we've started.

Whether delivering Meals on Wheels or chatting with parents at playgroup, I listen, I act, and I care. I'd be honoured to continue representing Fairlie.
