

Mackenzie District Council
Pukaki Ward
Electing 3 Councillors

Brian FINN

My principal place of residence is in the Pukaki Ward area.

Mackenzie is my home and I am passionate about the region and its potential. My wife and I moved to Twizel during 2023, and we love it here.

Having grown up in Southland it has been great to return to the South Island. I am a public affairs professional and run my own consultancy business and, occasionally, host the local pub quiz. I previously led communications for NZ Rugby and for RWC 2011. My background in public affairs, working with both central and local government, has prepared me for a role as a Councillor, standing in the Pukaki Ward. I am excited about the possibilities for the Mackenzie District and the role that Council can play in supporting, promoting and balancing those opportunities. MDC has a vital role to play in managing the anticipated residential and visitor growth for the region while ensuring that key infrastructure and services are maintained.
