4 CLOVENFORD PASS TWEED

The Mayor

Mackenzie District Council

TWEED.

I write this letter at the eleventh hour as I have only just found out about this matter - Mackenzie District Plan - change of zones.

I object in the strongest possible manner to the proposal to change the zoning of the Council land in the south-east corner of Mackenzie Drive.

My home is at 4 Glenbrook Cres and I purchased this property, (paying a premium price) because of the views that it provided. I most certainly do not want the prospect of staring at the back of a hotel block in the future. Furthermore, on that prospect, that would bring a major disturbance to my lifestyle, whereby the peace and tranquility of the neighbourhood would be seriously compromised.

Similarly, I purchased the sections at nos. 3 and 5 Glenbrook for the same reason - to build on them because of the views and tranquility of the neighbourhood. And again, I paid a premium price for that. Also the purchase of 67 Glenbrook.

This area is used a great deal by people parking up and enjoying the open spaces that this area offers opposite the food trucks, and irrespective of the food outlets. To curtail on these open spaces would be shameful. There are numerous other options around Tweed for further hotels without permanently taking away the aesthetics of the area.

The two properties on this piece of land are mine. I myself had wedding photos taken in front of them in the autumn, and over the years have seen several other wedding parties do the same - mostly Asians.

This brief letter has unfortunately been written very hurriedly to have it in to the council before 4.30 pm today. Given the opportunity I would have a good deal more to say, as I did several years ago when this was also contemplated.
