Dear Murray,

**Re: District Plan Review; Stage 4 Recommendations on Modifications to Designations – Spark New Zealand Limited – Decisions on the Council Recommendations**

I have been asked by Spark New Zealand Trading Limited (Spark) to review the recommendations of the Independent Hearing Panel on the Spark designations as set out in your letter of 24 July 2025.

Following discussion with Graeme McCarrison, Property Management, Planning and Engagement Manager at Spark, and in accordance with section 172 of the Resource Management Act 1991, I would like to advise that Spark **accepts in full** the recommendations of the Independent Hearing Panel that the following designations be confirmed in the Mackenzie Proposed District Plan:

- SPK-1 Tasman Airport Radio.
- SPK-2 Mt Mary.

Should you have any questions regarding the above, please do not hesitate to contact me.

Thank you for your assistance with this matter.

Yours sincerely
