Submission Details

The specific provisions of the Proposal my submission relates to are as follows: Changing the zoning of the green areas and allowance for the removal of disc golf course hole/s.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: The greenspace is more beneficial to twizel township. Expansion on the western side of town can handle any and all requirements for additional buildings.

I seek the following decision from the Mackenzie District Council: A decision to not change the zoning.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not

Additional information for this submission:
