**Subject:** Balmoral Station solar array

Good afternoon,

My name is Claire Kelly. I work for Boffa Miskell Ltd as a consultant planner and am assisting Infratec and Balmoral Station in developing and consenting a solar array at Balmoral Station.

Whilst not strictly confidential, if you could limit discussing this widely at this time, that would be greatly appreciated.

We understand that Te Rūnanga o Waihao has manwhenua over this area of the Makenzie Basin, along with Te Rūnanga o Arowhenua.

We are in the early stages of this work including the design and considering any mitigations that may be required. We are therefore keen to engage with Te Rūnanga o Waihao on this proposal.

We know that you are busy, and are flexible as to how this engagement occurs, whether it is a hui on the site, at the local marae or by some other appropriate means.

It could also be jointly with Te Rūnanga o Arowhenua if appropriate.

Please advise how you would like us to engage with you?

Happy to discuss – my contact details are below.

Kind regards

Claire
