We Disagree with forest and bird submission

We are opposed to more points as well which we would like to discuss at a future hearing.

The reasons for my support or opposition are:

(give reasons)

5.12 - We wish to maintain the right to keep Airport Buildings as a permitted activity.

5.18 - F and B earthworks rule proposals are overly restrictive.

5.19 - We oppose shutting down the current UAS operations, noise complaints are a nonsense and an attack by a select few. Current ops and flight paths are entirely appropriate from Glenanner and far less intrusive than DCC's low level heli ops currently undertaken over the Tasman Delta.

5.20-5.21-5.22 and 5.23 are all overly restrictive submissions.

I seek that the whole/part (describe part) of the submission be allowed or disallowed:

(give precise details)

Glenanner Tourism operations and aircraft operations are dependent on high conservation and landscape values. We are very proud of our environmental care and have always worked closely with DCC. Glenanner plays an important role in taking pressure off Aoraki Mt Cook National Park. We believe our many positive reviews and support by educational groups are a witness to our ongoing stewardship of this land. This submission appears to be nothing

I wish to be heard in support of my further submission.

more than an attack and an attempt to slow a very well considered plan around appropriate Progress.

I do not wish to be heard in support of my further submission.
