

Mackenzie District Council

Mayor

Electing the Mayor

Anne MUNRO

My principal place of residence is in the Mackenzie District Council Election area.

I seek support to serve the Mackenzie District community as your Mayor.

During the six years I have been a District Councillor, we have restructured our Council to

be more 'fit for purpose' and developed a strategic vision to keep us focused on future proofing our district.

After these elections, more than half of our councilors will be newcomers - at a time when we face the largest suite of reforms to local government in 30 years, must respond to climate change, and manage our tourism. I would bring experience, continuity, and stability to the table.

I'm a member of the Institute of Directors; have Hearing Commissioners certification and served as a Director of Beef+Lamb New Zealand and New Zealand Meat Board.

The Mackenzie has been my home for 28 years. I would like to continue safeguarding it and our community's quality of life.
