### Submission Details

The specific provisions of the Proposal my submission relates to are as follows: We, the Mackenzie Runholders support the rezoning of the Tekapo Saleyards land into Medium Density Residential/Commercial Visitor Accommodation Precinct and Neighbourhood Centre Zone.

I support / oppose these provisions: I support  
As a group we need to move forward with future plans for the Saleyards, and the rezoning of this area will assist with facilitating change.

The reason(s) for my submission are: -That the zoning for area of land that concerns the Mackenzie Runholders, be changed in a timely manner. -That an estimate/annum of rates be provided to the Mackenzie Runholders so a working budget can be formed.

I seek the following decision from the Mackenzie District Council: Runholders, be changed in a timely manner. -That an estimate/annum of rates be provided to the Mackenzie Runholders so a working budget can be formed.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not
