Submission Details

The specific
provisions of the
Proposal my
submission relates
to are as follows:

The plan just does not fit with the current image of Twizel

I support / oppose
these provisions:

I oppose in full

The reason(s) for
my submission are:

The plan does not suit Twizel. We do not need or want multistory building and dont need it. We dont want the green spaces removed. There is so much land available around Twizel to be utilized before you destroy the image of the town of downsizing the current zoning. The hydro homes are Twizel, as well as the green space at the front of the town. Twizel the town of Trees if remember correctly. Ee also dont want playing fields down by the lagoon. Great in summer for sure, but utterly miserable in winter. Sort the town centre out first, its a mess.

I seek the
following decision

Time to rethink the plan guys. Not your best work.

from the
Mackenzie District
Council:

I do or do not wish
to be heard in
support of my
submission: I do not

If others make a
similar submission
I would or would
not be prepared to
consider I would
presenting a joint
case with them at
any hearing:
