### Submission Details

The specific provisions of the Proposal The Large Lot Residential zone having one residential unit per my submission relates to are as follows: 2,000m<sup>2</sup>.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: I oppose the rezoning of Large Lot residential to having one residential unit per 2,000m<sup>2</sup> as I believe this will ruin the visual appeal of these areas and create too much traffic in an area that wasn't designed for it.

I seek the following decision from the Mackenzie District Council: To leave currently developed subdivisions zoning as is. Future Large Lot Residential zones to be one residential unit per 4000m<sup>2</sup>.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to: I would

consider presenting a joint case with  
them at any hearing:
