

Mackenzie District Council

Mayor

Electing the Mayor

Robin MCCARTHY

My principal place of residence is in the Mackenzie District Council Election area.

Born in Fairlie, grew up at Burkes Pass and live in Twizel where I operate tourism businesses. Studied Aeronautical Engineering at University. First job agricultural construction – fencing and stock yards. Former commercial pilot (agriculture & tourism). World travelled. Long-time employer up to covid. Tourism is a people business – ability to get on. Regular submitter to council proposals and speaking to submissions. Been through 8 resource consent applications to 6 different councils. In-depth knowledge of Resource Management Act and Local Government Act. Served my apprenticeship to stand for Mayor. As a direct entry Mayor, I see where executive changes need to be made. I will continue as an entrepreneur to bring proposals for debate. I am pro-business. Don't shy away from hard or difficult work. If you want something done, go for it and I will help you. Council under me, will be different.
