**Further Submission Details**

I support/oppose the submission of:

(enter the name and address of original submitter and the original submitter number)

Director General Conservation DGC

PC 30 Submission Number 11.

The particular parts of the submission I support/oppose are:

(clearly indicate which parts of the submission you support or oppose, together with any relevant provisions of the proposal)

Airport Activity as defined by DGC removes aviation research as an economic activity

AIRSPZ character and amenity values already well protected

The reasons for my support or opposition are:

(give reasons)

Mackenzie Basin relies on income from tourism to support our landscape, flora & fauna protection

This is highly risky - e.g. COVID

Aviation research is ideal for our environment

- sparse population but with infrastructure in support

- little other aviation in the area

- little impact on the environment

- more money, jobs and opportunities for locals

- areas of impact can be managed by special applications rather than blanket bans across the District

I seek that the whole or part (describe part) of the submission be allowed or disallowed:  
(give precise details)

Definitions of Airport Activities to be inclusive of aviation research - including any and all means of propulsion

No changes to AIRSPZ

I wish to be heard in support of my further submission.

**I do not wish to be heard** in support of my further submission.

Date:

The closing date for lodging a further submission is **5pm Monday 24 February 2025**. Please note that a copy of your further submission must be served on the original submitter within five working days after it is served on the Mackenzie District Council.

Your submission (or part of your submission) may also be struck out if the authority is satisfied that at least one of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language; or
- it is supported only by material that purports to be independent expert evidence but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

Once the closing date for further submissions has passed, Council hearings for the Plan Changes, Variations and Designations will be arranged to consider all submissions. Anyone who has made a submission or further submission and indicated that they wish to be heard will have the right to attend the hearings and present their submission or further submission.
