**Mackenzie District Plan Review: Stage 4 Recommendations  
on Modifications to Designations**

Tēnā koe,

In reply to your letter of 24 July 2025 and in accordance with s172 of the Resource Management Act 1991, I would like to advise that:

- Canterbury Regional Council accepts in part the recommendations of the Independent Hearing Panel on CRC-1 Soil Conservation Reserve

Canterbury Regional Council accepts the recommended wording change to include Section 1 SO17373 in the description of the CRC-1 in Appendix 1 to the Designations Chapter.

Canterbury Regional Council notes that the recommended amendments to the designations mapping do not reflect that change, and requests that the planning maps are amended to show Section 1 SO17373 as part of the designation.

Should you require any clarification of this request please contact Rachel Tutty at [rachel.tutty@ecan.govt.nz](mailto:rachel.tutty@ecan.govt.nz).

Nāku noa, nā,

Amanda Thompson  
Team leader – Strategy and Planning
