Submission Details

The specific
provisions of
the Proposal
my submission
Removal of three holes of the Frisbee golf course (also called Discgolf)

relates to are
as follows:

I support /
oppose these I oppose in part
provisions:

The reason(s)
for my
submission
are:

The Frisbee golf course has been a longstanding unique feature of Twizel. We were one of the very first places in New Zealand to have such a course. Removal of these holes will downgrade its international course validation. I have met people who have travelled from Los Angeles just to play this course. Discgolf is going through a significant growth phase with over 5 new courses opening everyday. (see udisc.com). This is in contrast to traditional golf which is in general decline. People from all walks of life are able to access the green space for free. Putting this area in private hands further erodes individuals enjoying outdoor activities. Access to these types of spaces is part of the bedrock of what Twizel offers to locals and visitors alike.

I seek the
following
decision from
the Mackenzie
District
Council:

To ensure the continued existence of the discgolf course.

I do or do not
wish to be
heard in I do not

submission:

If others make
