A brief description of the benefits that have been achieved with these funds?

Families of all players and coaches were able to
receive a \$25 petrol voucher each to contribute
towards their travel for the season. This is seen as
a great gesture from the club + MDC towards
acknowledging the true cost of supporting kids in sport.

In your opinion did the Rural Travel Fund assist your Team/Organisation to increase participation in your local sport competition in rural areas?

The true cost of travel to sport from a rural area is very high so a small voucher such as we are able to provide from this grant is probably not going to increase individual participation. For families who have supported our club for many years it is always appreciated though.
