**Mackenzie Proposed District Plan: Decisions on Designations by Chorus New Zealand Limited**

Chorus New Zealand Limited (Chorus) received the recommendations of the Hearing Commissioners on its proposed new designations on 24 July 2025.

Chorus rolled over 8 existing designations, numbered CNZ-1 to CNZ-8 in the decisions version of the Proposed Plan without modification. These designations are for the purpose of *Telecommunication and Radio communication and Ancillary Purposes*.

In accordance with s172 of the Resource Management Act 1991, Chorus **accepts in full** the recommendations of Mackenzie District Council to confirm these designations in the Mackenzie Proposed District Plan.

**Reasons for decisions**

1. The designations are reasonably necessary for achieving the objectives of the Requiring Authority.
2. Adequate consideration has been given to alternative sites, routes, or methods of achieving the project.
3. The designations are in accordance with Part 2 of the Resource Management Act 1991.

Should you have any questions with respect to this decision please contact the undersigned.

Yours sincerely

Andrew Kantor  
**Environmental Planning and Engagement Manager**
