# RAPID Number Application Form

Email completed form to: [roading@mackenzie.govt.nz](mailto:roading@mackenzie.govt.nz)

RAPID numbers are managed by the Council. The RAPID number does not affect your rural delivery number; you still retain your RD number for your postal address. It is however completely acceptable to include your RAPID number in your postal address.

You will receive:

- One standard blue and silver reflectorized mail box number plate posted to you
- We will update our internal records with your new number
- We will give your new number to emergency services, civil defence and utilities

Please refer to the Council's RAPID Numbering Fact Sheet on our [website](#) for information on RAPID number.
