7. Please provide details about the project or activities that were supported by the Creative Communities Scheme. Explain what was successful, and what didn't work so well.

Using puppetry, songs, storytelling, and exquisite hand-crafted sets that magically unfold out of boxes, award-winning theatre company 'Birdlife Productions' tell the story of when a young man's epic journey unites with the miracle of Kuaka/Bar-tailed Godwit migration. Melded with a real-time ornithological lecture, designed specifically for children ages 5 to 9 years. Downside was that there were children younger than 5 and as the play was quite long, the younger ones' attention span didn't match.

8. Give a brief description of the highlights of your project, including the number of participants.

97 people attend the play, very busy afternoon for the little ones!

9. How did your project benefit your community?

Reduced tickets to half price for all ages. Excellent turnout during the school holidays

10. What, if any, are the next steps (for your project, for you and/or for the people involved)?

Continue to support Arts on Tour NZ and book quality performers for the Mackenzie District.
