

Mackenzie District Council
Tekapo Ward
Electing 1 Councillor

Sue ALLAN

My principal place of residence is in the Tekapo Ward area. Fourth Generation High Country Farmer, at Sawdon Station. Chartered Accountant, with a Bachelor of Commerce and Management Degree. I run a Chartered Accountancy practice, and love to see my clients prosper, grow, and develop businesses throughout New Zealand. Tourist operator, with our accommodation houses.

My professional experience includes prior board experience for Fairlie Primary School, Accountant for the Pukaki Airport Board. I am a proud Lake Tekapo landowner and a passionate representative of our unique and beautiful region. As a long-term member of the Lake Tekapo community, I care deeply for the people and this place we call home. Supporting my husband Gavin (Snow) Loxton and raising two children has been central to my life for many years, now I wish to give back, by contributing to the future of our region. It would be an honour to serve Lake Tekapo and wider Mackenzie country.
