That under plan change 27 that the E Plan Part 4 Appendices and Maps. I oppose the deleting of the Twizel Water Supply Protection Area and the insertion of a new community drinking water supply protection areas overlay.

**I support/oppose these provisions:
(include whether you support or oppose in full or in part)**

I oppose the deleting of the Twizel Water Supply Protection Area and the insertion of a new community drinking water supply protection areas overlay.

**The reason(s) for my submission are:
(state in summary your reasons, and whether you seek any amendments)**

I want the Twizel Water Supply Protection Area to stay because Twizel needs to have their own dedicated water supply for its future growth and not to be changed to a generalized community drinking supply which is to open to another interruption. It needs to be defined.

I seek the following decision from the Mackenzie District Council: (give precise details)

A dedicated Twizel Water Supply Protection Area. No amendment.

Do you wish to be heard in support of your submission?

I do not

If others make a similar submission would you be prepared to consider presenting a joint case with them at any hearing?
