Do you wish to present your submission to Council in person?

Fairlie 3 May or Twizel 4 May (please circle)

Do you wish to present your submission to Council by telephone conference call on 3 May?

If you answered 'yes', the hearings will start at 9am on 3 and 4 May. You will be allocated 10 minutes to speak. You don't need to read out your written submission as councillors will have read it prior to the hearing. If you plan to present your submission by phone, we will make every reasonable effort to contact you at the number/s you have provided. If you're unable to speak due to unavailability or technical issues, we may not be able to allocate you another time.

Would you prefer to present your submission in the morning or afternoon?

Key issue

HOW MUCH SHOULD WE INVEST IN ROADS?

☐ **I/we prefer Option 1:** Set aside a maximum budget of \$300,000 for each year of the plan for roading improvement projects, and borrow to fund Council's 49% share of this amount.

☐ I/we prefer **Option 2:** Include budgets in each year of the plan for all roading improvement projects that attract NZTA co-funding, and borrow to fund Council's 49% share.

☐ I/we prefer Option 3: Borrow for all roading improvements projects whether they are co-funded or not.

Why is this your preferred option?

I would like to see some more discussion about the Tourism Tax in regards to Farmstay accommodation. I run farmstay accommodation and I totally agree that all accommodation providers should pay something. BUT it should be charged more fairly.

I know as a farmstay we are charged only on the value of our house not the complete farm - but we only ever use the area around our house where guests can feed, pet and take photos of the animals - our guests don't leave the garden because we are governed by Occupational Health and Safety regulations.

As a farmstay operator I deal only with booking agents, I am not on Airbnb nor do I have a website, my booking agents pay me for each guest I host and a portion of my payment goes into paying the booking agent's fees to: Tourism Industry Aotearoa

all of which they belong to.

I understand the Tourism Tax we pay to the Mackenzie District Council pays for promoting the Mackenzie District but as a farmstay most of our guests come into Fairlie on a bus tour and staying at a farmstay is part of their tour, not necessarily having any knowledge of our area. As a farmstay we may host between 75-100 nights per year, our guests stay in our

home which we occupy, unlike some Airbnb accommodation in the area which is unoccupied by the owners and potentially can be having guests every night of the year. This is where a farmstay is a different type of accommodation, I feel we are being charged twice, once by the booking agents and once by the Mackenzie District Council, yet we are hosting the least amount of nights.

I think a fairer system needs to be looked at and I'm more than happy to answer any further questions.

Thankyou for your time.
