SUPPORT

NEUTRAL

My submission is (the particular parts of the application I support or are opposed to are):

- BUILDING DEVELOPMENT
- ACCOMMODATION FACILITIES
- CONFERENCE FACILITIES

(Attach separate sheet as required)

The reasons for my submission (the reasons I support or oppose the particular parts of the application above):

The aviation business development proposed is a good suitable match for the location (ie based on the airfield), and any significant commercial development that fits within the existing community will be a benefit for the area/town as a whole.

The scope of the accommodation is clearly not the main purpose of the development and would not distort or otherwise significantly impact the local market.

(Attach separate sheet as required) A conference facility would be good for the area.

My submission would be met by the Council making the following decision (give precise details, including the parts of the application you wish to have amended and the general nature of any conditions sought):

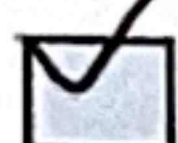

Approve the proposal as requested.
