Q4 Are you answering as a:**Individual or Household****Q5** Do you live/work within the Mackenzie District?**Yes**

Q6 Where in the district do you live/is your business/organisation operated?

Town: **Tekapo**

Q7 Which of the following best describes your household? **Family/couple with dependents (children or other family)**

Q8 Can you tell us your age group? **36-50**

Page 3: Section Three

Q9 Do you think that we should be doing more to reduce, reuse and recycle our waste? **Yes**

Q10 Do you think our vision, goals and objectives cover the work Council needs to do on waste management and minimisation? **Yes**

Q11 Do you think that our Action Plan will ensure that we can meet our vision of a future of minimised waste? **Yes,**
Other (please specify):
Perhaps supply compost and bokashi bins to households and businesses in addition to a red and yellow bins. That will ensure more people are composting. Another incentive could be to buy back the compost and use around the district or supply it to farms etc.

Page 4: Part Four

Q12 Are there any additional comments you would like to make?

Run workshops so people understand what we are trying to achieve. Let's get businesses involved. A financial incentive (buying back compost, rate discounts etc) are more likely to work.

Q13 You can upload your submission or supporting documents here. **Respondent skipped this question**
