No ☒

If you answered 'yes', the hearings will start at 9am on 3 and 4 May. You will be allocated 10 minutes to speak. You don't need to read out your written submission as councillors will have read it prior to the hearing. If you plan to present your submission by phone, we will make every reasonable effort to contact you at the number/s you have provided. If you're unable to speak due to unavailability or technical issues, we may not be able to allocate you another time.

Would you prefer to present your submission in the morning or afternoon?

Morning ☒

Afternoon ☐

Note: We will do our best to give people their preferred time to present, but we can't guarantee everyone will get their preferred time.

HOW MUCH SHOULD WE INVEST IN ROADS?

- ☐ I/we prefer Option 1: Set aside a maximum budget of \$300,000 for each year of the plan for roading improvement projects, and borrow to fund Council's 49% share of this amount.
- ☒ I/we prefer Option 2: Include budgets in each year of the plan for all roading improvement projects that attract NZTA co-funding, and borrow to fund Council's 49% share.
- ☐ I/we prefer Option 3: Borrow for all roading improvements projects whether they are co-funded or not.

Why is this your preferred option?

Provides some flexibility that option 1 does not.

ADDITIONAL COMMENTS:

You can include additional feedback on the key issues or any other proposals included in the Draft Long Term Plan 2018-28 here:

- Worker accommodation: Rising house prices are pushing up rental prices, and along with increased demand for tourist accommodation, rental/accom for workers is becoming very difficult.
- Increased valuation is one thing but the Mackenzie requires a wide range of workers to service tourism and local commerce
- Twizel + Tekapo are becoming like Queenstown + Wanaka.
- Council needs to work with other agencies and look to other models which have worked in Queenstown + Wanaka to help solve this increasing problem.
