Submission Details

The specific provisions of the Proposal The Large Lot Residential zones having one residential unit my submission relates to are as follows: per 2,000m2.

I support / oppose these provisions: I oppose in full

The reason(s) for my submission are: I oppose the rezoning of Large Lot residential to having one residential unit per 2,000m2 as I believe this will ruin the visual appeal of these areas and create too much traffic in an area that wasn't designed for it.

I seek the following decision from the Mackenzie District Council: For current developed Large Lot residential subdivisions zoning to remain as is.

I do or do not wish to be heard in support of my submission: I do not

If others make a similar submission I would or would not be prepared to consider presenting a joint case with them at any hearing: I would not
